

ART OF THE GODDESS

Many readers have contacted us to find where they can obtain copies of the beautiful images we've been using to illustrate the Sabbats and other feature stories and posters in the magazine over the past year or so. Well, we're happy to say that the artist responsible for these stunning works of art, Sharon McLeod has a full range of prints, greeting cards and stickers now available. Growing up in Melbourne, Sharon explored many styles of self-taught art and has developed her talent into a mystical display of watercolours, pen and quill. Now living in the Gold Coast Hinterland with her daughters Freya and Lilith, she draws on her beliefs in the Goddess to channel beautiful, esoteric works of art. Her passion for nature and wildlife are also reflected in her exquisite work. Shown here are just small selection of her greeting cards – Orchid Woman (you might remember this as our poster in the December/January issue this year, Angel of the Sea, and Mid-Winters Gift. You can contact Sharon on 07 5533 5304, or email: mcleodw@bigpond.net
